

It is possible to combat dog waste **without installing a dispenser**. To this end, APRICO offers 30 and 50 bags to municipalities and communities wishing to encourage people to be civil.

They can be made available in places open to the public (town halls, tourist offices, etc.), and can be used as a **means of communication** during events or [dog hygiene](#) awareness campaigns.

Displays are also available.

Personalised pouch

The dog waste bags can be **personalised** by the municipalities or any other community.

A logo with a slogan can be integrated to **communicate** a message to dog owners to encourage good manners.

Case and display

The APRICO display unit allows 20 refills of 50 poop bags to be made available in **town halls** or **campsites**. The latter can be modified and personalised.

The Belloo displays can hold up to 40 refills in pouches of 30 Poco bags.

Our cases are made of nylon and are available in different colours (black, yellow, red, blue, green or pink). They can be **easily attached** to a leash or belt by means of the clip on the back.

Technical specifications

Poop bags in APRICO bag pouches are **equipped with handles** for easy closing and odour control.

We also offer a range of Belloo poop bags in red without handles. These red bags are more visible and make users more aware of littering. Its pocket size makes it **easy to carry** around on dog walks or in areas where there is no dog poop bag holder equipment.

The choice of 30 or 50 bags can also be **used for hotel stays**, camping or caravanning.
